Follow signs and parking attendants

Corps Parking

Unfortunately, this year's show site has very limited parking available. We appreciate your patience and understanding. We have taken extreme measures to make sure all corps' vehicles can be accommodated.

Please follow the parking attendant's explicit instructions of where to park as there is VERY LIMITED space. Note that an individual corps' buses, prop semis, equipment trucks, souvenirs trucks, and additional vehicles may not necessarily be parked together or within the same parking lot. **READ THESE INSTRUCTIONS!!!**

Corps parking is in Lot C (accessed off Westpark Drive) (Map page 10) with the exception of prop semis (Panther Place) and souvenir trucks (South end of campus.) (Map page 11)
